Treasurer's Report

I. PROJECTS:

- A. Mural:
 - 1. "String Lighting?"
 - 2. End Cap?
 - B. Bugler:
 - 1. Sound components have been removed.
 - a. Where is it now?
 - b. Can it be restored? Does it need to be replaced?
 - 2. Has the door on the base been "waterproofed?"
 - C. Signs:
 - 1. The signs have been "scratched." They are not cracking. No need to replace at this time.
 - D. River Overlook: Nothing new
-

II. PHASE III PROJECTS: (Waiting on city approval before installation can begin)

- A. Memorial Brick Project:
 - 1. Roger G. will give an update on how many bricks have been sold.
 - 2. Billy F. will give an update on the status of the funding request to the Parks Advisory Committee for the "sails" for this project.
 - a. Bill C. & Scott P. (RIC meeting) did see the list of projects they are considering, and it looks good for our request.....but no guarantees.
 - b. If we get this funding, can we install the "sail" when we install the rest of this project?
 - 3. Bill C. has almost finalized a concrete contractor for this project. (Central Concrete- Jeff Harris)
 - a. The size of the concrete pad has been changed to 40' base and 20' radius, and 5" thick.
 - b. The construction plans have been sent to this contractor.
 - 4. One brick "A Frame" is full.....288 bricks - ordered and paid in full.
- B. QC Vietnam Wall Project:
 - 1. Wall is done, frame is done, so all we need are the holes dug, and concrete.
 - a. The city will dig the holes?
 - b. Still working on the concrete contractor for this project.
 - c. The location of the QC Vietnam Wall, has been changed from the Townsend Plans.
 - 1. The QC Vietnam Wall will be located at the end of the circle (farthest west end).
 - a. The reason for this move, it will not block the view of those in the amphitheater.

C. Female Soldier Statue:

1. It has been paid in full, and delivered to Davenport.
2. The statue is here, the base is done, so all we need is the concrete.
3. Ideas for the concrete?

D. Sailor Statue:

1. It has been paid in full, and delivered to Davenport.
2. The statue is here, the base is done, so all we need is the concrete.
3. Ideas for the concrete?

E. Six Flag Poles Project: This is on "hold" until next year.

III. DONATED PROJECT:

A. Vietnam VVA 776 statue:

1. It has been paid in full, and delivered to Davenport.
 2. The statue is here, the base is done, so all we need is the concrete.
 - a. Bill C. has received info.... we have a concrete contractor, Little Dickens, who will do this project.
-

IV. FUNDRAISING:

- A. Major donation from Mike Matson, for \$5K. Thank you very much Mike.
 - B. Robert B. will give an update on the KWQC advertising investment we made.
 - C. Other ideas?
